These sessions will speak to loving like Jesus while upholding the biblical ethic. We as disciples of Jesus are called to love like He would. How do we uphold God’s word in a culture that is counter to what we believe? For many, this can be a challenge. Our hope is to help all disciples navigate what can potentially be difficult waters.

1-2:30pm Women’s Session (all ministries except teens)

3pm **“Countering The Culture”** Teen Class | **Atlas Ballroom/Town & Country Room**

- Stephen and Deb Bowen

(For all Jr. High students, Teens, and Teen Leaders.)

What is the biblical sexual ethic? How do we uphold God’s word in a culture that is counter to what we believe? Through it all, how do we still love others the way Jesus does in a confusing time? This session will address some of these issues and have time for questions and answers.
